REQUEST FOR CONTINUED EXAMINATION AND AMENDMENT D

This request for a second continued examination is in response to the Final Official Action in this case mailed January 29, 2007. Applicants respectfully petition for a one-month extension of time as this response and request for continued examination are being filed one month after the end of the shortened statutory period. Authorization to charge a credit card has been provided upon electronic filing of this amendment and RCE to extend the term for response and to provide for the fee associated with the request for continued examination. Applicants believe that no other extension of time is required. However, Applicants conditionally petition for an additional extension of time to provide for the possibility that the need for such a petition has been inadvertently overlooked. As provided below, please charge Deposit Account No. 50-2121 for any required additional fee.

The Applicants appreciate the Examiner's thorough examination of the subject application and request reexamination and reconsideration of the subject application in view of the following:
